

November 2021

Hello to all the TVSC committee,

Firstly, a big thanks for welcoming me in to help the club with the merchandise. Apologies for not making the meeting today.

I live in QLD and have not been able to get a full grasp on where we are at in regards to stock.

Once the borders are open in December, I'll get in touch with Bryan to receive any stock take documents and will look at a merchandise book I believe is located in our fancy clubhouse. Adam Andrewartha told me there is stock and this book when he contacted me last week to advise he had purchased a shirt from our current stock for wear at Harwood. I too have some shirts at my place so Ill gather it all up over December.

My plan moving forward, with the approval of the committee of course will be to add a Merchandise tab on the TVSC website listing what we have in stock and the pricing along with my direct contact details for purchasing. This may help to clear out what we have as I know there are a lot of random styles and sizes. My friend creates websites and has offered to help me complete this early next year if everyone gives it the go-ahead. Craig has already created a website log in for me so I'm going to assume you're all fine with it. lol

With the upcoming regattas I think it would be great if those attending from our club could invest in a TVSC shirt (even if its only the skipper) as this would look great for other clubs to recognize that we may just have a shipping container as a club base, but we do exist. When Maddie, Monique and I attended the Keelboat Regatta in Mooloolaba last weekend, we did receive many compliments on our club shirts.

When we get back to regular scheduled sailing at Fingal, I'd be happy to throw out a quick merchandise mention at debrief.

Thanks again to all. Bring on borders opening!!!

Regards

Kate Ausburn
